

The consortium, formed by our fully owned subsidiary HAVAS (Havaalanları Yer Hizmetleri A.S.), Altur Turizm and Free Turizm was awarded the shuttle bus service operations tender held by İETT İşletmeleri Genel Müdürlüğü, a function of Istanbul Municipality, to enable a comfortable service for passengers and their luggages between the city center and the New Istanbul Airport. HAVAS has 30% shareholding in the consortium.

Subject to relevant approvals, the operating period is 10 years starting from the opening date of the new Istanbul airport. The operations are going to be carried out with 150 buses on 18 different routes in Istanbul.
