

**Subject to our traffic and FX assumptions, our company's targets for 2018 are as follows:**

- Passenger growth in Istanbul Ataturk international: 6 to 8 percent
- Passenger growth in Istanbul Ataturk international Origin & Destination (O&D): 9 to 11 percent
- Growth in total number of passengers served by TAV Airports: 10 to 12 percent
- Revenue growth: 2 to 4 percent
- EBITDA growth: 5 to 7 percent
- Double digit growth expected in Net Profit
- Total capex: around EUR 80 million

Note: Assuming Istanbul Ataturk Airport will operate for the full year in 2018. All financial targets are in EUR terms and have been adjusted to reverse the effects of IFRIC 12.

**TAV Airports Holding Inc.**
