

In our material event disclosure dated 17.04.2017, we had announced that we entered into exclusive talks upon the invitation of General Authority of Civil Aviation (GACA) for Qassim and Hail International Airports in Kingdom of Saudi Arabia.

GACA has disclosed that they have selected TAV Airports Holding, in partnership with Al Rajhi Holding Group (50%), for operating Qassim and Hail International Airports for 30 years. The airports which served 2.5 million passengers in 2016, will reach approximately 6.5 million annual passenger capacity with new investments.

TAV Airports Holding Inc.
