

Date: 23.06.2010

We have received legal approval for the category upgrade of Antalya Gazipaşa Airport from 2C to 3C. TAV Gazipaşa Yatırım, Yapım ve İşletme A.Ş. (TAV Gazipaşa), owned by TAV Airports Holding, is entitled to operate the airport until July 2034.

As per Ministry of Transportation Airport Construction, Operation, and Certification Regulations, code 1 and 2 airports are described as small airports and can be used by small jets and STOL aircraft with a low passenger capacity. Code 3 airports--including Gazipaşa Airport--are considered mid-sized airports and can accommodate the landings and take-offs of passenger aircraft.

We hereby state that the above clarifications are in compliance with the principles set forth in the Decree No 54 Series No VIII of the Capital Market Board, that it fully reflects the information we have received in this respect, that the information is compliant with the books, records and our documents, that we have accomplished our best in order to obtain the accurate and correct information, and that we are responsible for this clarification hereby.
